Message from the Chancellor

Pima Community College's 2013-2014 sports teams are full of promise, and I invite you to be part of what should be a fun and exciting season.

PCC's intercollegiate teams long have excelled academically as well as on the playing field. Over the years, PCC has fielded two national championship teams and 12 regional champions. We are just as proud of the 43 Aztec athletes who have been named Academic All-Americans, and I am confident PCC's new Student-Athlete Center for Academic Excellence will produce even more classroom standouts in the future.

PCC emphasizes recruiting student-athletes within Arizona, and our players and coaches are deeply invested in the community. The primary role of our coaches is to mentor student-athletes, imparting to them the attributes and values needed to be productive citizens in whatever field of endeavor they choose to pursue.

Go Aztecs!

Lee D. Lambert,
Chancellor

Message from the Executive Director of Athletics

Welcome to Pima Community College Football.

Pima started its program in 2001. Its schedule ensures high visibility for student-athletes with aspirations of continuing their education.

The program's mission statement always has been to recruit athletes primarily from Tucson and Southern Arizona. As the only community college in Southern Arizona, Pima is committed to be the first option for athletes wishing to compete in college football.

Throughout its history, Pima Football has given its players and staff a first-class experience with the facilities, resources and educational support at hand.

Student-athletes who play football for Pima have the opportunity to participate in a quality program while pursuing their academic and professional goals, and may eventually transfer to a four-year college or university to further their education.

The purpose of Pima's Athletics Program is to reinforce the attitudes, values and overall mission of the College. Our coaches, faculty, staff and administration actively support these objectives.

Thank you for supporting Pima Community College Athletics.

Edgar Soto, M.Ed.
Executive Director of Athletics

Welcome to Pima Community College Aztecs Football

Pima Community College is the eighth largest multi-campus community college in the country with more than 75,000 students enrolled at six campuses. Located in Tucson, Ariz., Pima enjoys the weather and diversity of the desert Southwest. Pima offers students hundreds of degree, certificate and transfer programs, as well as a variety of learning environments, including traditional classroom, Internet, self-paced and television classes. This is evident in the College's Vision — to provide access to learning without the limits of time, space or distance.

Pima Community College fields a total of 16 varsity sports for men and women. Athletics is centered on the West Campus, the largest of the six campuses. West Campus covers 267 acres in the Tucson Mountains foothills.

Pima began its football program in 2001, with the team named The Storm. The highlight of the program was in 2004, when it won the inaugural Pilgrim's Pride Bowl Classic. Since 2005, the team name has been the Aztecs. This is the team's fifth season under Head Coach Pat Nugent.
